One Way (PM):

Two Ways

1. Parents of children who use the ABC Nursery bus must be at bus stop 5 minutes before the bus is due to arrive. The buses will not wait for late students, so parents are requested to bring their children to ABC Nursery if bus is missed owing to lateness.
2. A supervisor will always accompany children on the bus, but it is parent's responsibility to collect their children from the bus.
3. If parents are not collecting their child from the bus, we require a letter stating who will be collecting the child or giving consent for the child to leave the bus on his/her own.
4. Parents are requested not to discuss any issues with the bus drivers or supervisors. But to contact ABC Administration office if they have any problems or queries.
5. ABC Nursery will not take any responsibility for children once they have left the bus with their guardians.

I hereby agree to abide by all ABC Nursery transportation rules.
